- Approval of Minutes from Feb. 6 The minutes were approved
- Committee Business Items
  - Budget Review – In reviewing the budget we discussed how well the used book sales seem to be going this year. We setup books for sale on First Fridays. We also sell books on consignment online through a company called Better World Books and have more recently starting using Book Prospector for online sales.
  - AV proposal – Tom garnered advice from Bob Gillmer at the North Penn High School tv station about what type of equipment to use to film library events such as Mike Sobels talks or the Clean and Green Extravaganza. The recommendation from Bob came to about \$525 for the HD camera, microphone and tri-pod. The committee approved this purchase.
  - 2016 Financial and Statistics reports – The Annual Financial Report was prepared by Chris Herr at Maille for review. Tom prepared the annual statistical report for the state library which we also reviewed. Mary signed the cover sheet but we still need Rich's signature as treasurer.
- Old Business
  - Tom will follow up with Sprinkler company to see about a permanent repair for the leak that occurred last November.
- New Business
  - This summer, the library will be hosting a program presented by the Penn State Cooperative Extension called Dining with Diabetes.
  - We will be working with Beneficial Bank to provide two Money Lunch Programs (May 4 and May 11 at 12:30) One is on budgeting, the other on credit.
  - Also, we are working to present a program by the Veteran's Community Network about moral injury and soldiers returning home from war. We will possibly work with NAMI on getting the word out about that one.
  - Steve suggested that we take advantage of the 6 days we are able to sell beer each year. Recently we've only used two. We discussed trying to incorporate into Clean and Green event or First Fridays. It seems the most likely time at this point is the October First Friday.
- Public Comment - none
