9th Street Station

Intersection of 9th Street and Walnut Street

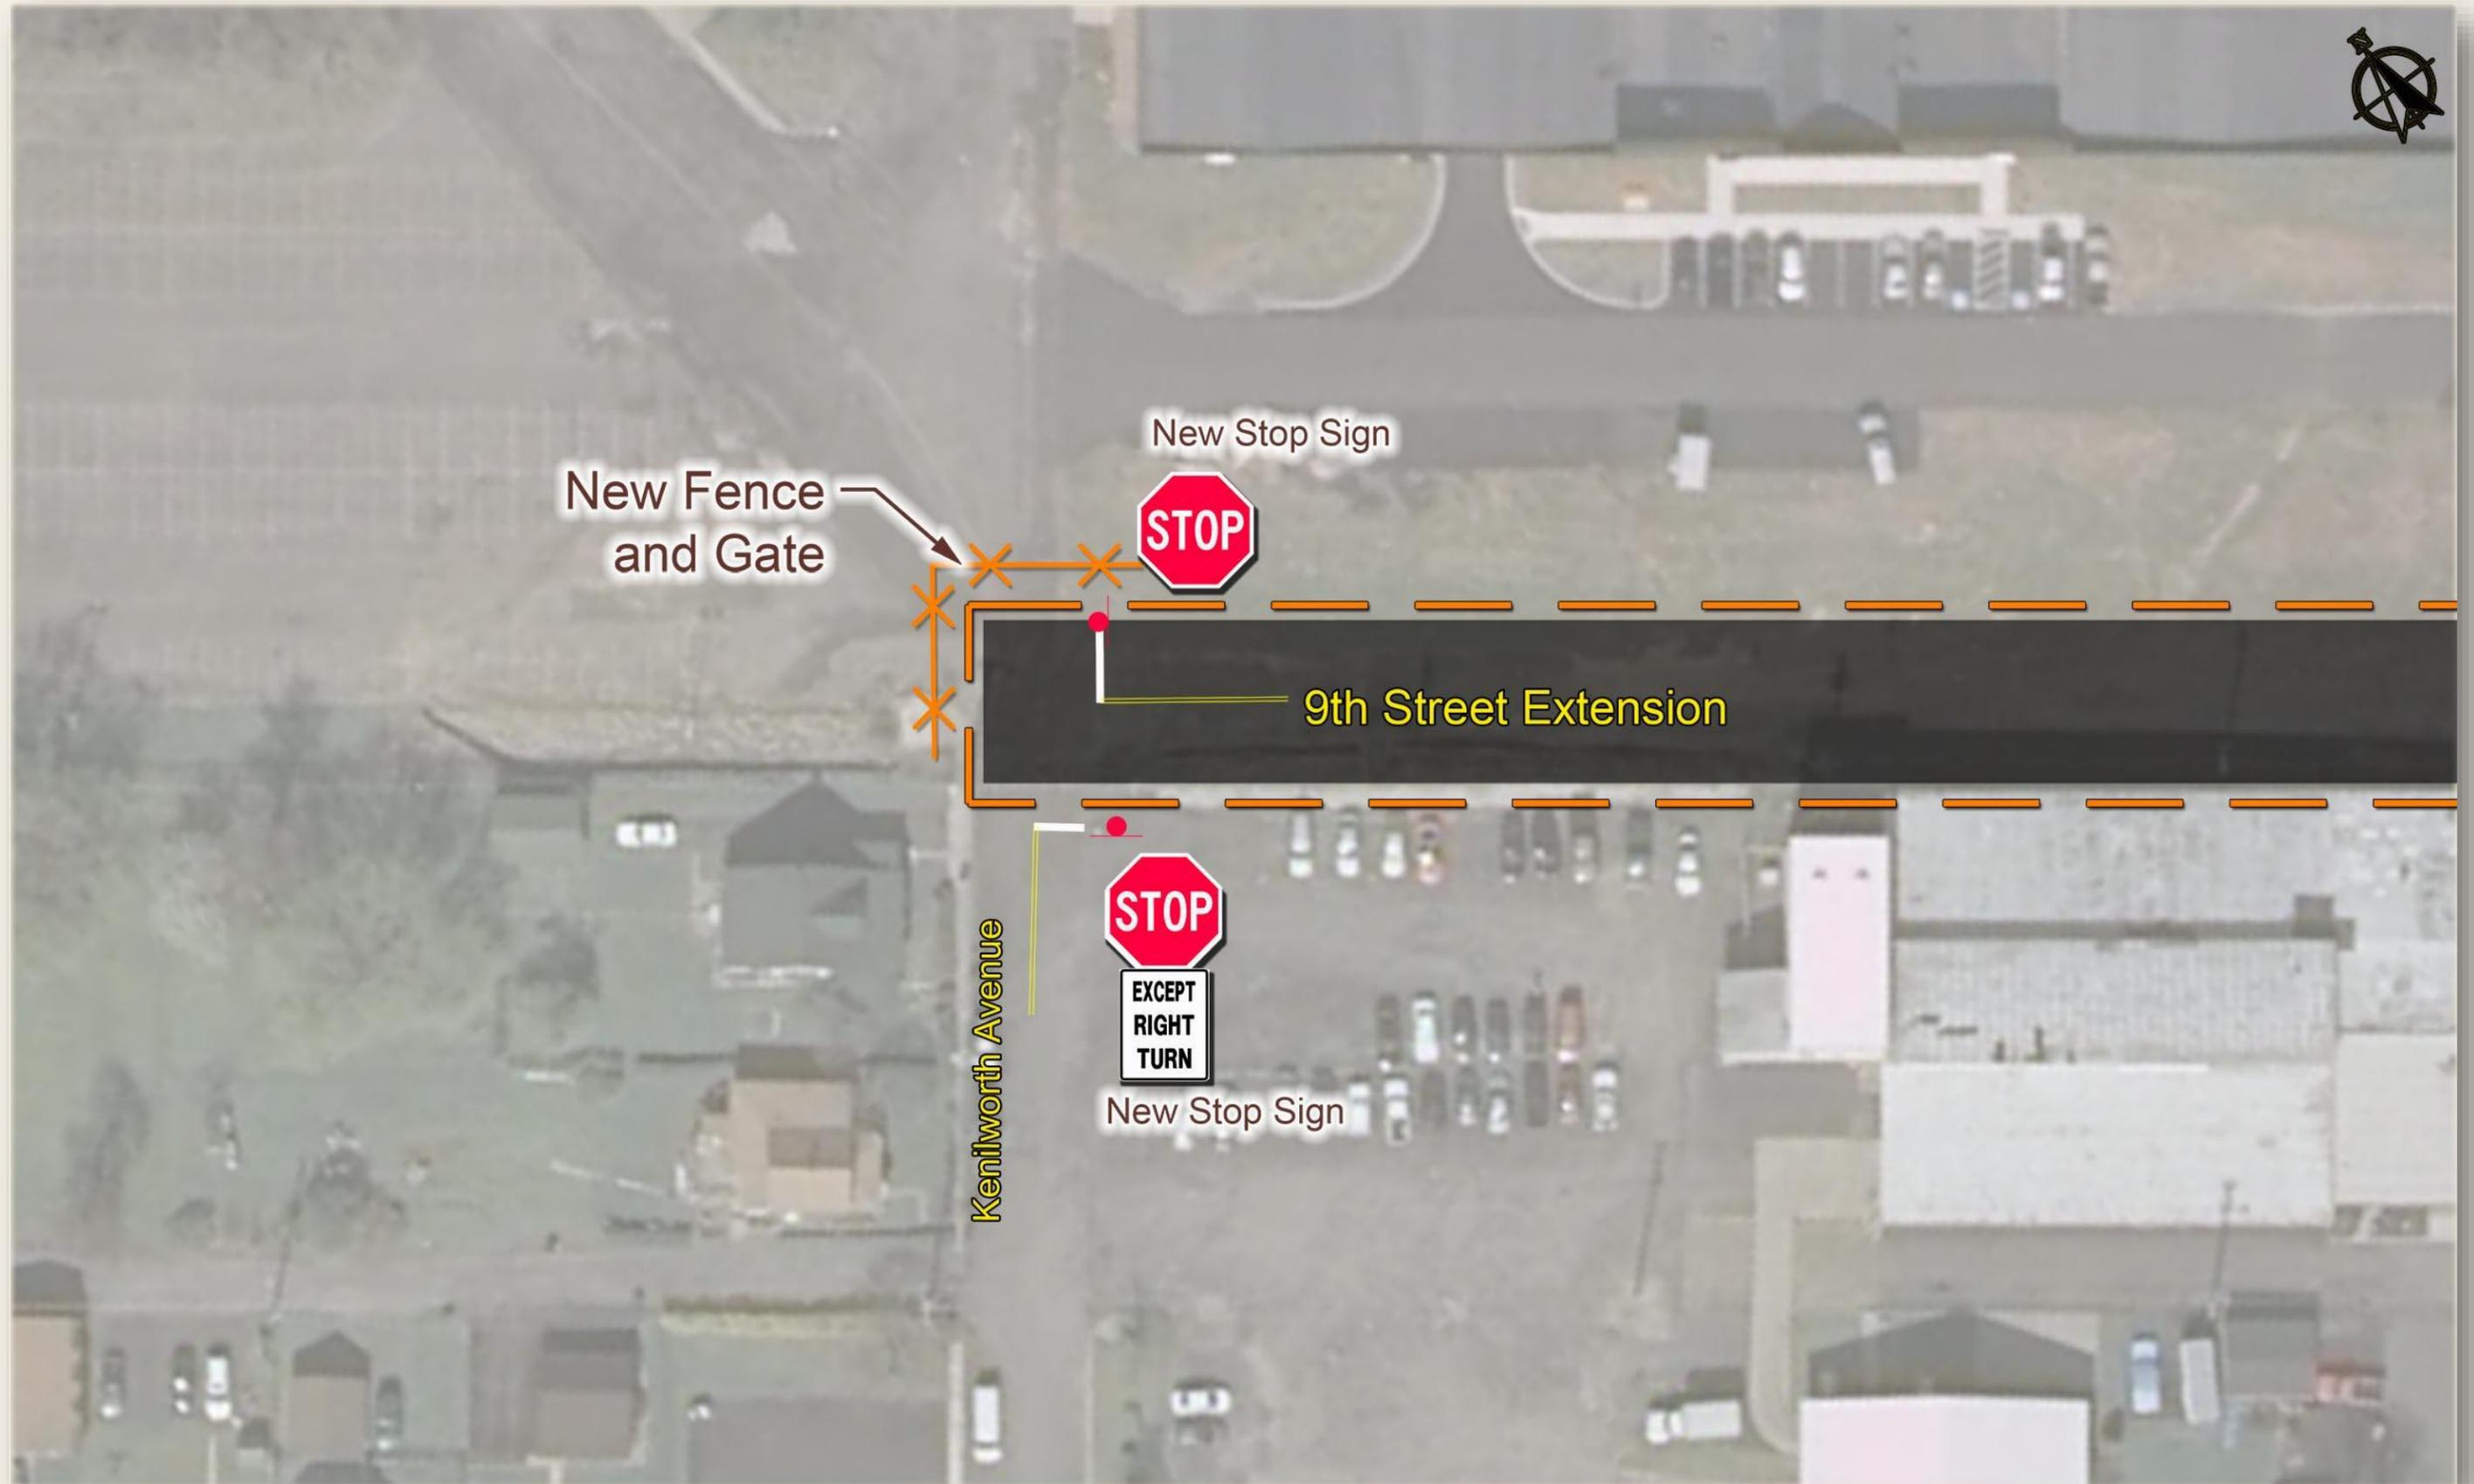

9th Street Station

Intersection of 9th Street Extension and 9th Street Station Driveway

9th Street Station

Intersection of 9th Street Extension and Kenilworth Avenue

9th Street Station

Parking on Shaw Avenue at 7:00am

9th Street Station

Proposed improvements:

1. Construct new roadway (9th Street extension) from SEPTA tracks to Kenilworth Avenue
 - Allow two-way traffic on 9th Street between Walnut Street and Kenilworth Avenue
2. No Left turns permitted out of 9th Street Station Parking Lot
 - Directs motorists towards traffic signal at 7th & Broad
 - Reduced traffic on 9th Street exiting at Broad Street
3. Walnut Street and 9th Street traffic control
 - Remove STOP signs on 9th Street and install STOP signs on Walnut Street
 - Install temporary signage noting the change in traffic control (ie. Adjacent street does not stop)
 - Install double yellow centerline pavement markings on Walnut Street
 - Install white edgeline and tapers on Walnut Street for on-street parking
