

Please use biodegradable leaf bags only, plastic bags **WILL NOT** be picked up.

1. Leaves are to be placed in containers or biodegradable paper leaf bags no larger than 30 gallon size and are to be no heavier than 50 lbs. per bag. Containers will be emptied by the

collector directly into the truck.

2. Bags in which leaves are placed must contain leaves only—no household refuse, tree trimmings, etc. may be placed with leaves. Bags containing items other than tree leaves will be left for the property owner to dispose of through his / her private collector.
3. Biodegradable paper leaf bags are available from local merchants at nominal cost. Property owners are requested to obtain the bags from merchants of their choice; bags are not available from the Borough.
4. Bagged leaves must be placed in the same location as usual trash pickup.
5. Leaf bags will not be emptied by the collector. The bags with the leaves will be loaded in the compactor truck.

Collection will begin at 6:00 am on scheduled days. If the pick up in a section is not completed on the day scheduled, it will be completed on the following day. However, schedules are expected to be fairly well adhered to since weather does not adversely affect collection of leaves.
